The screenshot shows the Capricorn web portal interface. At the top left is the Capricorn logo. The main header area contains the text "Hey, TEST PERSON !" and "Stay Updated On your Certificate Status". On the right side of the header, there are links for "Repository", "Download DSC", and a red "BUY CERTIFICATE" button, along with a "Logout" button. A modal dialog box is centered on the screen, titled "secure2x.certificate.digital says" and asking "Are you sure want to revoke this dsc ?". The dialog has "OK" and "Cancel" buttons. Below the dialog, the main content area shows a section for "Revoke Certificate for Order ID : OR284234454". Under "Reason :", a dropdown menu is set to "Error in downloading". There are two columns of options: "Upload Revocation Form" and "Revocation by eSign Service". Each column has a "Note" and a list of instructions. The "Revocation by eSign Service" column has a "Select" button highlighted with a red box.

If the client presses the 'OK' button, the DSC is revoked automatically.

The screenshot shows the Capricorn web portal interface after the revocation process. The header and navigation elements are the same as in the previous screenshot. Below the header, there are two buttons: "My Orders" and "Employee eKyc Approval". A light pink banner at the bottom of the page displays the message "Order has been revoked. OR284234454".
